## SHIPPING INSURANCE WAIVER

Clear2Fly Aerospace' policy is to insure all shipments for full replacement value. Per your request, we are providing you with the option to decline insurance on future shipments made from Clear2Fly Aerospace. By doing so, you accept and assume full responsibility for any loss or damage to any shipment or package once it has left our facility.

You agree you will make payment in full to Clear2Fly Aerospace for any merchandise or equipment regardless of the condition it is received in, and for any missing merchandise or equipment that may be lost during transit.

Clear2Fly Aerospace' only burden of proof of shipment will be to provide a tracking number to verify the shipment left our facility.

*I have read and understand the above statements, and choose to waive insurance on shipments from Clear2Fly Aerospace. I also certify that I am authorized to make this decision.*
